

Human Resources Manager

Job Code #

A-102

Reports to:

President

SUMMARY:

The Human Resources (“HR”) Manager has overall responsibility for the HR function as it relates to all Southern Ionics Minerals, LLC (“SIM”) Mining team members, including employee relations, compensation and benefits administration, development, implementation and administration of SIM’s human resources programs and employment policies, personnel record-keeping, workers compensation and team member safety issues, training and workforce development, and compliance with HR laws and regulations.

ESSENTIAL FUNCTIONS:

- Ensure adherence to all MSHA Safety and Environmental rules and procedures
- Assure compliance with all safety, environmental, and company policies and procedures.
- Organize and work independently on multiple assigned tasks/projects and complete assignments within specified deadlines.
- Communicate effectively verbally and in writing to all levels of staff and management, outside officials and agencies, and the public, expressing ideas and instructions clearly and concisely.
- Compile and analyze complex information, and research and develop solutions to complex issues.
- Meet with and assist SIM team leaders in planning and directing activities, explaining and implementing decisions, and resolving significant issues involving team members.
- Conduct research regarding employment issues, benefits, workers compensation and personnel procedures and working with Counsel, apply the conclusions to SIM’s personnel policies and practices.
- Develop, implement and manage a centralized recruiting process.
- Demonstrate skills critical for managerial success including leadership, decisiveness, flexibility, sound business judgment, and highly developed personal, analytical and communication skills.
- Stay informed on latest development in human resources, applying innovative approaches to both improve SIM and to address any current issues.
- Monitor workforce engagement and implement actions to constantly lift engagement levels.

ADDITIONAL RESPONSIBILITIES:

- Ensure all work is performed within company, state, and federal regulations, standards, statutes, policies, and procedures.
- Assist in hiring, including developing job descriptions and job advertisements, for recruitment process and interviewing candidates.
- Manage actions and proceedings brought against SIM arising in connection with employment, benefits and workers compensation issues, including preparation of responses to EEOC charges and management of outside counsel.
- Maintain all personnel files, I-9 records, drug and alcohol screening and background investigation results, and other personnel records, and ensure SIM is in compliance with all laws and regulations and demonstrates “best practices” in regard to personnel information management.
- Analyze benefits options and cost alternatives for providing employee benefits, recommend benefits program modifications and implement approved benefits modifications.
- Work with senior management to craft consistent, equitable and competitive compensation and incentives.
- Develop and implement human resources programs and policies and periodically update SIM’s Team Member and Team Leader Handbooks.
